Foundations of Computational Mathematics

Name of journal

Article title (first few words)

The Author of the Article as specified herein, hereby transfers copyright and assigns to the Society for the Foundations of Computational Mathematics (SFoCM) all rights, title and interest that the Author may have, or may at any time be found to have (for United States Government employees to the extent transferable) in and to the Article and any revisions of versions thereof, including, but not limited to, the sole right to print, publish, and sell the Article throughout the World in all languages and media. This assignment shall be deemed in effect if and when the Article is accepted for publication.

Should the Article contain any material protected by the copyright of others, the Author will deliver to SFoCM written permission from the copyright owner to reproduce such material in the Article.

The Author represents and warrants that she/he is the author and proprietor of the Article, that she/he has not granted or assigned any rights in the Article to any other person or entity, that the Article is copyrightable, that it does not infringe upon any copyright, trademark, or patent, that it does not invade the right of privacy or publicity of any person or entity that it does not contain any libelous matter, that all statements asserted as facts are true or based upon reasonable research for accuracy and that, to the best of the Author’s knowledge, no formula, procedure, or prescription contained in the Article would cause injury if used or followed in accordance with the instructions and/or warnings contained in the Article.

The Author will indemnify SFoCM against any costs, expenses or damages that SFoCM may incur or for which SFoCM may become liable as result of any breach of these warranties. These representations and warranties may be extended to third parties by SFoCM.
